HQ !
This is Choco One !

I am being attacked !

Requesting permission to fight back !

Choco One, this is HQ.
You may fire.

I repeat.
You may fire !

Roger that, HQ.

I am engaging them now.

!

Uwhaaaaaa

!

.... !
Motherfucker!

!

It worked ?!
!
Ah - !

!

!
3rd down !
!
Right wing has been shot !
The last one has my six !

!

Ej

Out of ammo already ... Time to leave.

Good bye, pilot.

Report ! We lost signals of the me !

Report the situation !

What happened to the enemy plane ?! You must shot it down !

I repeat ! You must shot it down no matter what !

Slight damage on right wing...

It won't pose any issue. 3 minutes until I enter S. Korea aerospace.

.... Anyway

How much longer is he going to chase me...

Is he going to S.Korea ?

What... What the ?!

01:52

1: 52 AM

Mr. President !

The mission...

How did it go ?!

The ... mission ...

Was successful...

However, the plane was intercepted and, after an engagement, it was shot down.

It crashed near DMZ in N. Korea.

It was intercepted and it went down ?!

What's the damage and casualties ?

4 N. Korea planes were shot down.

We confirmed emergency rejection of the pilot.

We are tracking his location.

Mr. President !

Welcome, Ambassador Wayne.

We've been waiting for you.

I apologize for being a little late.

I apologize that I had to call you on such a short notice at this hour.

The situation warrants it. No problem, sir. I came as fast as I could.

the United States Ambassador to Korea

?

Mr. Park Je-ik ?

!

Pameira Randy

Nice to meet you ...

Hello ...

This is Pameira Randy. She is my temporary aide and also a councilor for Far East research center.

Mr. President ...

She's in charge of CIA S.Korea.

!

So.... Ambassador Wayne.

What is the next step ?

China won't sit still once the news get out.

China may protest on surface but they are willing to overlook this incident.

!

China also wants the Moderates to control N. Korea. It makes them easier to deal with.

Now that Kim Jong-Il is dead and the Hardliners are gone, it is the perfect for China.

世界人民大团结万岁

Washington also expressed that it may not be a bad idea as long as we can get nuclear weapons removed from N. Korea.

After this is over, China will be watching over N. Korea.

You've gone that far without involving us ?!

It was not a negotiation. This is the best solution for all of us.

We believe S. Korea government does not currently have the capacity to conrol N. Korea.

There will be 25,000,000 refugees ... S. Korea cannot handle them with their current economic capacity.

And the refugees aren't normal ... They lived in isolation, no internet, no modern culture..

In the worst case, there could be a civil war. There will be those who refuse to be unified.

And that is a situation no one here wants. USA and China do not want that, either, in addition.

Even so, the rightful first step would be giving us a chance to sort it out.

I've simply stated the most likely outcome. I am not being emotional like you are.

A lot of our men shed their blood to achieve peace here... We do not want to shed blood here again.

Let us talk about what's at our neck first.

What are you going to do about the plan being shot down ?

A pilot misread GPS info and was shot down ... That will be the gist.

CNN LIVE

We will leak this info to CNN and Fox news soon.

BREAKING NEWS

We will acknowledge the plane being shot down but will deny any bombardment.

It was N. Korea's request, so we believe N. Korea won't make a big deal out of this.

How are you going to explain 4 N.Korea planes being shot down ?

Self-defense. They fired and he fired back.

Don't you feel this whole plan was reckless to begin with ?

It was a stealth plane, yet it was intercepted right away, meaning there was a leak most likely.

We are going to find out whether that was true.

We will go through everyone... including those in Korea.

Randy ...

There is nothing to worry about really. The mission was successful and the Moderates will emergy victorious.

We will talk to China soon.

And we do also believe Korea should be united under S.Korea.

Yes... so how did it go ?

And ?

#S

#R

What...?

What are you talking about ?!

What is going on ?

Mr ... President...

The bombing ...

has killed Chinese diplomats and ...

Key people of the Moderates.

!

Ambassador!

What is going on here ?! Is this true ?!

Mr. President... I must go back ...

And USFK will soon ask for an approval of ...

DEFCON 1

!

DEFCON 1 : War is imminent.

DEFCON 1 ... !!!
